30 July 1958

MEMORANDUM FOR: ~~Director of Central Intelligence~~  
Deputy Director of Central Intelligence

SUBJECT : Latest Soviet Protest

1. I have looked into the possibility that a U-2 aircraft could have prompted the Russian protest of 30 July. Herewith is a map showing missions run out of Adana on 26 July, the date of the alleged penetration, and on the preceding and following days. As you will note the nearest any U-2 came to the Caspian Sea during this period was Lake Urmia, well over 100 miles away and well over 200 miles from the point of the alleged penetration.
